

APPRECIATION INITIATIVE ORDER FORM

Welcome to the **A.I. Stone Appreciation Initiative**, a special program designed to show our gratitude and support for the Rebbeim, teachers, and staff who dedicate themselves to our community. Through this initiative, we are excited to offer **high-quality men's and boys' shirts at deeply discounted prices**. We're able to offer these prices because every shirt is **made-to-order** directly at the factory, which allows us to avoid the usual costs of holding inventory, picking, and packing individual orders. The factory pre-packs and labels each order specifically for this program, ensuring maximum efficiency.

General Information

- **Delivery**
 - Delivery is planned **before Pesach**
 - The orders will be prepared at our factory overseas, sent by boat to our warehouse and from there we will be delivered by a domestic delivery service like UPS.
 - We will send an email notification with a more exact delivery date closer to Pesach.
 - While we expect everything to go smoothly, and all efforts are in place to ensure timely delivery, because the shirts are being shipped from overseas, **we cannot guarantee they will arrive before Pesach.**
- **Eligibility**
 - The discount is available to all Rebbeim, teachers, and support staff, including secretaries, therapists, and resource room staff. Shirts may also be purchased for the entire family, including in-laws and grandchildren.
- **Order Deadline and Capacity:**
 - Our factory is ready to produce a large quantity of shirts; however, **capacity is limited**. If we reach our limit, we will no longer be able to accept additional orders, even if it's before the deadline.
 - Order Deadline: November 25th, 2025
- **How to order**
 - **Online:** www.aistone.com/rb
 - This is preferred method, as there is the least confusion and you can make sure your information is entered and correctly and easily choose the products you want.

 - Scan in page 2 of this form and email it to us at forms@aistone.com. We will confirm once the order has been processed. We appreciate if you can send it in as soon as possible

APPRECIATION INITIATIVE ORDER FORM

This letter is from the winter of 2023 when we went over all the details with Rabbi Forcheimer.
The program remains in same format as when the question was presented.

TERMS AND CONDITIONS

1. Discount is available for all Rebbeim, teachers and support staff such as secretaries, therapists, resource room staff, etc. Shirts may be purchased for the entire family including in-laws and grandchildren.
2. Discount is ONLY available to those whose orders are received before the Pesach order deadline. No orders for the initiative will be accepted after the deadline. The deadline for online orders is December 13th, 2023.
3. In order to conduct this sale in a fashion that avoids all questions of Hilchos Ribbis, although you are required to order before the deadline to participate, we can't demand that you pay for your order before the shirts are available to be shipped. Therefore, anyone who would like to order but only pay once their shirts are available to be shipped, may do so ONLY by emailing their detailed order to postcharge@aistone.com and providing a credit card to be charged only once your shirt has arrived and is ready to ship. Write clearly "charge later" next to your credit card number. All other orders will be charged immediately upon receipt. Please be aware that our ability to offer this program at such a heavily discounted price is due to producing the shirts as made to order and having the factory pre-pack and label without having to further fill orders by picking, packing and charging customers. We would therefore appreciate immediate payment.
4. Men's shirts are being produced from our most popular Non-Iron Twill line that we carry in store. Due to the nature of this sale, all sales are final. If a customer makes an error when ordering, we may allow exchanges on common sizes in store only for another shirt we have in stock. To be possibly eligible for exchange, the shirt must be unopened and sealed in package in condition that can be restocked to sell as brand new to another customer. A.I. Stone reserves the right to make this determination. No exchanges will be processed by mail and any shirts that are sent in for exchange will not be exchanged, refunded or returned back to sender. A. I Stone may then do as we wish with it.
5. Boy's shirts offered through this initiative are made of a different high quality fabric and are NOT our "CLEAN" liquid repelling fabric that is offered in store. Therefore, no returns or exchanges will be allowed, and all sales are final.
6. This program can't be combined with any other discounts.

This program has been setup in a fashion in which there are no concerns of Ribbis whatsoever as per Rav Yaakov Ephraim Forcheimer Shlita, Senior Posek of Beis Medrash Govoah.
